Narrative

For 2017, BEN 131743 was incorrectly re-classified by E-Rate as "Urban" instead of "Rural." This resulted in a reduced reimbursement rate of 50% instead of 60% based on the number of students eligible for the National School Lunch Program (4 out of 12 = 34% = 60% discount for "Rural").

I have attached a copy of the 2017 USAC Urban-Rural Look-up tool to verify our status as well as a listing of all the other schools in Menominee County, Michigan that are listed as "Rural" as well.

(We appealed this for 2016 as well and am awaiting results.)
